TO WHOM IT MAY CONCERN

This is to certify that SYEDA AZHAR FATIMAH (2020BITE037) from Department of Information Technology, National Institute of Technology Srinagar has successfully completed an internship under my supervision on the project entitled "Experiments with data sourcing for Internet of Vehicles using NS3 simulator" in online mode for the duration of Dec 20th, 2022 to Mar 1st, 2023. Syeda has worked toward the fulfillment of the stated objectives and performed well in the project.
